

INVESTIGATION OF CHILD ABUSE AND NEGLECT IN OUT OF FAMILY COMPLAINTS

22 VAC 40-730-115. Procedures for conducting an investigation of a teacher, principal or other person employed by a local school board or employed in a non-residential school operated by the Commonwealth.

A. Each local department of social services and local school division shall adopt a written interagency agreement as a protocol for investigating child abuse and neglect reports against school personnel. The interagency agreement shall be based on recommended procedures for conducting investigations developed by the Departments of Education and Social Services.

B. These procedures for investigating school personnel amplify or clarify other CPS regulations.

1. The local department shall conduct a face-to-face interview with the person who is the subject of the complaint or report.

2. At the onset of the initial interview with the alleged abuser or neglector, the local department shall notify him in writing of the general nature of the complaint and the identity of the alleged child victim regarding the purpose of the contacts.

3. The written notification shall include the information that the alleged abuser or neglector has the right to have an attorney or other representative of his choice present during his interviews. However, the failure by a representative of the Department of Social Services to so advise the subject of the complaint shall not cause an otherwise voluntary statement to be inadmissible in a criminal proceeding.
